

AIR CONDITIONING

COOLING | HEATING | AIR PURIFICATION

Why Choose Panasonic Air Conditioning?

Air Conditioning Expertise

Since the introduction of the first window-type air conditioning in 1958, Panasonic Air Conditioning has grown to become a globally recognised and celebrated brand, delivering unmatched quality and reliability.

Total Air Solutions

With over 300 products, Panasonic has a product or solution for every application. From residential applications to large scale commercial, we endeavour to provide fully customisable total air solutions for any and all applications.

Quality & Reliability

Panasonic Air Conditioners are manufactured to ensure years of reliable comfort. With a 5 year warranty encompassing both residential and commercial applications, you can rest easy with Panasonic.

Connectivity

Panasonic provides control solutions to satisfy all residential and commercial needs. Our range of controllers demonstrate flexibility in application, providing you with a comprehensive solution to any system need.

The benefits of nanoex™

Inhibition of Bacteria & Viruses

nanoex™ inhibits the activity of airborne and adhered bacteria and viruses such as E.coli and Staphylococcus aureus.

Inhibition of Pollen

nanoex™ is effective in inhibiting a variety of pollens released throughout the year.

Inhibition of Major Allergens

nanoex™ inhibits allergens including pet dander, mite droppings and airborne mould.

Breakdown of Hazardous Substances

nanoex™ inhibits and breakdown common hazardous and harmful substances at particle size as small as PM2.5

Active Deodorisation

nanoex™ inhibits odours such as smoke, body odour, cooking and pet smells.

Inhibition of Mould Growth

Common airborne and adhered mould found inside living spaces are enveloped and inhibited by nanoex™.

COMFORT, IDEAL SLEEP ENVIRONMENT

New Humidity Sensors constantly monitor the humidity levels relative to the temperature and adjust the way the air conditioner operates to maximise comfort levels.

BETTER CONNECTIVITY

With the built-in Wi-Fi connectable to Panasonic Comfort Cloud App, conveniently control and monitor all air conditioning units remotely anytime, anywhere. Compatible for voice control with Google Assistant-enabled devices. Google is a trademark of Google LLC.

BETTER INDOOR AIR QUALITY

Activate nanoe™ X all day long to stay safe with quality indoor air. nanoe™ X effectively inhibits various types of pollutants, reduces odour and moisturizes skin and hair as well.

COOLING COMFORT WITH ENERGY EFFICIENCY

Panasonic ECO Mode with A.I. will monitor the room condition and amount of heat generated at the time and adjust its setting accordingly to maximise energy savings while providing consistent comfort.
